

About WOWRA

The Wisconsin Onsite Water Recycling Association is a statewide organization of septic system installers, soil testers, designers, manufacturers and related governmental and educational personnel dedicated to promoting the onsite industry and protecting the environment.

Membership Benefits:

- Scholarships available for members and their families.
- Free quarterly newsletter and bi-weekly e-newsletter with regulatory news.
- Discounts at WOWRA conventions and classes.
- All Full and Additional Members receive membership in National Onsite Wastewater Recycling Assn.

What We Do For You:

- Meet regularly with Commerce officials to streamline plan review process.
- Passed law to prohibit government personnel from competing in the private sector.
- Petitioned the state to issue "temporary holding permits" for homes waiting for mound installation during wet weather.
- Have WOWRA members serving on state's POWTS advisory committees.
- Working for uniform standards for POWTS evaluations.
- Provided guidance on the development of a National Model Code drafted for onsite regulations.

WOWRA POWTS Two-Day Training Course

DATE: Weds, Sept. 17, 2014, 8 am to 5 pm
Thurs, Sept. 18, 2014, 8 am to 5 pm

LOCATION: Flat Creek Inn & Suites
10290 State Rd 27 S
Hayward, WI 54843

PURPOSE: WOWRA has developed this two-day training course for onsite professionals to learn proper techniques for conducting evaluations of existing private onsite wastewater treatment systems. This innovative two-day training class, which concludes with a certification exam, will provide much-needed uniformity around the state for POWTS evaluations. The course will include both classroom instruction and field training. Please come prepared for outside conditions. Some of the topics covered during the course include: WOWRA Certified Existing POWTS Evaluator ethics and requirements; evaluator/client relationship and responsibilities; evaluation procedures from data collection through final reports; and procedures for evaluating recent, documented POWTS, as well as the "unknown" POWTS. General POWTS knowledge and experience is necessary.

CONTINUING EDUCATION: Upon course completion and passing the exam, you will receive certification as a WOWRA Certified POWTS Evaluator, **XX** DNR General Septage Credits and **XX DSPS Continuing Education Credits**.

INSTRUCTORS: Todd Stair (25 years in the POWTS industry-certified soil tester and POWTS inspector) and Len LaFrenier (over 26 years in the POWTS industry-certified soil tester and POWTS maintainer).

NOTE: Class participants should bring a calculator and dress for outside conditions on Thursday!

HOTEL ACCOMMODATIONS:

For people in need of overnight hotel accommodations, WOWRA has secured a block of rooms at the Flat Creek Inn & Suites, 10290 State Rd 27 S, Hayward, WI 54843.

Standard rooms are \$99/night plus tax. Call the Flat Creek Inn at (715) 634-4100 by Sept. 1 and ask for the WOWRA room block.
