Recycling Association

Fall 2015

President's Message: Aaron Ausen

Friends of WOWRA,

The season is winding down as the days are getting shorter and the temperatures getting colder. Before too long it will be time to park the equipment and regroup for next year. Although sad to see the season come to an end I can about guess everyone is ready for the much needed break. Before winter hits at WOWRA, we have one major item of business to take care of DUES. Dues renewals are out and you should have received them. If you did not please contact Alison or any board member and we will get you a new renewal. Although we'd like to receive them as soon as possible we understand that everyone's accounting is different so please return when you are able. Just re-

member the longer you wait the higher the probability one of our board members will be calling you. So consider getting them in early. As always, I thank you for your support and contribution to WOWRA.

Looking past dues, we are still heavy in the planning of the Winter Conference. As we start to tie down speakers and our agenda starts to get some meat on it, I am really liking how the conference is shaping out. It looks to be another solid conference. Many good speakers and events to keep everyone entertained and educated. Please mark down the 28th of January and join us in Steven's Point for another solid conference.

Along with that we are actively seeking to fill a board seat vacancy. Most of you may know our board make up has changed very little in the past years and we want to encourage some new blood with fresh ideas to join us on the board and help steer the future of WOWRA. If you or anyone you know is interested in becoming a board member please contact Alison, George, or myself.

Thank you everyone!!!

Aaron J. Ausen

Better Service Means Better Value

Legislative Update: Executive Director George Klaetsch

Wisconsin Fund Update

For WOWRA members that have been assisting a Wisconsin homeowner who applied and is eligible for Wisconsin Fund proceeds in 2015, please be aware of the recent update from the DSPS as it relates to the amount and timing of POWTS Fund awards.

Per the October 26 DSPS update:

- Grant award disbursements for the current period began the week of October 19-23 and were scheduled to be complete by the end of October.
- As in previous years, grant applications exceeded available funds.
- Wisconsin homeowners that experienced category 1 failures are scheduled to receive approximately 80% of what they were eligible for.
- No category 2 failures were awarded.
- Checks should be received by participating units of local government in early November

WOWRA (and its members) prides itself on being a strong partner with the homeowners and communities in which we are honored to serve. With that said, please feel free to pass this important information along to customers that you know were eligible for the Wisconsin Fund or those who may be interested.

Fall Legislative Floor Period Concludes November 5

During the last couple months, the state legislature has been primarily focused on legislation affecting government and government reform. You may have been reading, hearing or watching coverage of your elected officials passing legislation to limit John Doe investigations, reforming the make-up and operation of the Government Accountability Board, as well as updating and modifying Wisconsin's campaign finance laws.

While some of that may directly or indirectly affect you and your business, the Assembly and Senate has passed two pieces of legislation that may affect you as employers or your employee drivers. Those two pieces of legislation are:

- AB 208/SB 157 – Restriction Cards/Operators Licenses – This bill eliminates the requirement for the DOT to issue special restrictions cards in addition to an operators CDL
- AB 209/SB 158 – CDL's This bill makes a number of miscellaneous changes to the statutes related to CMVs. The DOT was compelled to make these changes to codify Wisconsin state statutes with federal regulations. Most importantly, this bill continues to allow the use of cellular telephones for a driver of a CMV, it ensures they are only permitted in certain situations. Those situations are:
 - ◊ Can still use phone if using the "hands-free" option
 - ◊ Can still use phone if answering or calling by pressing a single button
 - ◊ Can still use phone if they maintain a seated position to reach / use phone

Regards,

A handwritten signature in blue ink, appearing to read "George A. Klaetsch".

George Klaetsch

Scholarship Fund

The WOWRA Scholarship Fund was established in 1990 to award funds to students planning to obtain a higher education. The fund has awarded over \$14,750 in scholarships to over 100 students.

You can donate today! Visit www.wowra.com/scholarship to donate online or download the form to mail.

WOWRA SILENT AUCTION

WOWRA will conduct a silent auction to benefit the WOWRA Scholarship Fund at this year's Joint Winter Conference.

Please considering donating an item. Previous donations have included:

- ✓ Jerseys
- ✓ Game tickets
- ✓ Vacation packages
- ✓ Tools
- ✓ Much more!

Scholarship Fund

Thank you to those who contribute and make the WOWRA Scholarship Fund possible!

Susan Schmitt, one of three 2015 scholarship recipients.

August 31, 2015

Dear WOWRA,

Thank you so much for your generous \$2000 WOWRA scholarship. It will help cover my fall semester tuition. I am so honored and appreciative to have been chosen as the recipient of your 2015 scholarship.

I am excited to start this fall as a Business Administration-Marketing major at the University of Wisconsin-River Falls. With my degree I hope to become an event planner or go into advertising. Not only will this scholarship allow me to focus on schoolwork it allows me the resources to get even more involved. I intend to join the Marketing Communications Club and one day hope to study abroad in Scotland.

Your generous support is helping me to fulfill a lifelong dream of going to college. Thank you so much for your gift. It will be put to good use.

Thank you,

Susan Schmitt

Plumbing & POWTS Continuing Education

**Department of Safety and Professional
Services**

2015-2016

Department of Safety and Professional Services Website Update

Please go to: <http://dsps.wi.gov> to access the department's website. The new layout makes it easier for you to find the areas that you're searching for.

Within the website you'll be able to check under the license/permits/registrations heading for:

- How to renew online
- Hours of credit needed to renew your license
- What courses are offered for credit

To save time, see the website first for the latest information available.

Continuing Education Cycle for Hours of Credit has Changed

See: SPS 305.08(3)(b)

Continuing Education to be fulfilled by March 31 to renew license.

Administrative Code

Copies of the codes are available on our website or can be ordered by contacting Document Sales at 800-362-7253.

Questions

Contact the trades credentialing unit at 608-261-8467 or via email at dspsbcredentiaing@wi.gov with questions on renewal or hours of credit.

If you have any questions on registering for the classes, please email: DspsSbPowtsTech@wi.gov for POWTS and DspsSbPlbgTech@wi.gov for Plumbing

Face to face training sessions can be taken more than once for credit. Online courses can only be taken once during the 1, 2, or 4-year license term to receive credit.

Correspondence Courses

Industry Services no longer provides correspondence courses for continuing education credit.

Online Continuing Education Courses

Unable to attend the classes in your area? There are online courses available through private vendors. The following website link lists 98 online courses approved for a variety of plumbing license categories. Please be mindful of the specific license CEU approvals.

See <http://dsps.wi.gov/Default.aspx?Page=f22b3336-5fb8-4120-94b2-9e51d23185ef> for other providers of Plumbing Continuing Education Courses including

Continuing Education Courses

Don't see what you want or need in continuing education? Please e-mail the following addresses and submit a suggestion on future educational subjects. Your input is appreciated.
:

DspsSbPowtsTech@wi.gov for POWTS and
DspsSbPlbgTech@wi.gov for Plumbing

Industry Services

General Plumbing Classroom Courses

Health Care, Course # 17268

Fee \$30

Three hours of credit for MP, MPRA, JP, JPRA, UDC PI and Comm PI, CCC Device Tester

This continuing education course will cover healthcare issues. Designation of facilities will be discussed. This course will focus on conformance to provisions of SPS 382.50. Issues of maintenance of hot water and options for bacterial control. Pure water systems will also be discussed.

MPP, Course # 17266

Fee \$30

Three hours credit for MP, MPRA, JP, JPRA, UDC PI and Comm PI

This three hour training focuses on the design and installation of a multipurpose piping system (MPP) that incorporates a domestic water supply system that supplies water to plumbing fixtures and individual fire sprinklers located within dwelling units. It is a water distribution system set up with fire sprinklers in accordance with NFPA 13D Standard. The class is mandatory for plumbers who received their licenses prior to January 1, 2002 per SPS 305.91(6)(b), to install MPP systems. The class provides a MPP Manual and CD calculators.

Storm, Course # 17270

Fee \$30

Three hours of credit for MP, JP, MPRA, JPRA, UC, UDC PI and Comm PI, Soil Tester Certification

This continuing education course will cover storm system design and submittals to the department. The different types of storm systems including pretreatment, detention, and infiltration design.

Plumbing Topics, Course # 17269

Fee \$30

Three hours of credit for MP, JP, UDC PI and Comm PI, CCC Device Tester

This continuing education course will cover an array of topics throughout Chapter SPS 382. This course will be geared mainly at code questions, asked by you, that have been addressed by the department over the past year or so, along with the Department's responses.

POWTS Classroom Courses

Plan Design and Submittal Course # 16792

Fee \$30

Three hours of credit for MP, MPRA, JP, JPRA, UDC PI and Comm PI, CCC Device Tester

This course will lead participants through the step by step process for designing common component manual systems. Also covered is an introduction to using the new standard plan pages and what is needed for a complete state plan submittal.

Special Reports, Course # 16793

Fee \$30

Three hours of credit for MP, MPRA, JP, JPRA, UDC PI and Comm PI, CCC Device Tester

Not every site's features are easily identified and applied to the code. This course explores the group of special procedures outlined in SPS 385.60 which help the CST explain water movement and other soil characteristics as they pertain to POWTS.

POWTS Potpourri, Course # TBD

Fee \$30

Three hours of credit for MP, JP, MPRA, JPRA, UDC PI and Comm PI, CCC Device Tester

Various short subjects on many different aspects of POWTS design, installation, operational theory and code interpretation will be covered. Topics discussions include but not limited to expectations at POWTS installation and inspection, when permits are required, addressing filled and compacted sites, State owned property permitting process, POWTS math, plan submittal and more. Bring additional questions and thoughts to share.

Hands on Soil, Course # TBD

Fee \$30

Three hours of credit for MP, JP, MPRA, JPRA, UDC PI and Comm PI, CCC Device Tester

This "hands on" educational opportunity will cover the basics of writing and reading profile descriptions, texturing soil samples from across the state and discussion of soil and site photographs. Attention will be given to determining sand sizing and identifying "good" mound sand, clay content, coarse fragment content, fill soils and wet sites along with relationships to POWTS sizing and design. Course will also address importance and practice of drawing appropriate plot plans and methodology of establishing surface contours. Be sure to bring your Munsell color book, engineer scale, calculator and pencil.

Registration Form

Plumbing & POWTS Continuing Education-Fiscal #7632

Preregistration two weeks in advance is required for all classes.
To register for the classes, please complete this page and make a copy. **Keep the original** for your records.

Mail registration form for the classes to the address below:
