**About the Program/Instructors**

Code is the foundation of everything we do in the POWTS and plumbing industry and this program will provide a review of SPS 383 along with a review of the changes that were implemented in 2018. The instructors are Dean Petersen and Patrick O’Neill. Both are Master Plumbers and experienced plumbing instructors who work with apprentices in Madison and Waukesha respectively. Both consistently received high marks for the quality of their programs and his engaging presentation styles that keeps attendees interested – and learning! Attendees are encouraged to bring a code book to the class.

The program also features time to interact with vendors, our Vendor Showcase, and an Industry Update by Jeff Beiriger, Executive Director of WOWRA.
