PURPOSE

This course provides training for onsite professionals on the **proper techniques for conducting evaluations of existing private onsite wastewater treatment systems**. The course creates much-needed uniformity for inspections, helping **to reduce liability for those doing POWTS evaluations**. Topics include: POWTS Evaluator ethics and requirements; Evaluator/client relationship and responsibilities; evaluation procedures (data collection through final reports); and procedures for evaluating recent, documented POWTS, as well as the “unknown” POWTS. General POWTS knowledge and experience is necessary. A calculator is necessary.

Upon course completion (attendance at all four classes is required), you will take an examination. Upon passing the exam, you will receive certification as a WOWRA Certified POWTS Evaluator.
